

## **ICE ON MAIN RETURNS FOR A SECOND SEASON**

**(GREENVILLE SC)** The City of Greenville and the Courtyard by Marriott Greenville Downtown announced today that Ice on Main, a seasonal outdoor ice skating rink, will return for a second season.

“We are excited to bring this holiday family tradition back to downtown Greenville,” said Mayor Knox White. “Last year’s event was an outstanding success, and we were pleased to have locals, as well as tourists, visit Greenville’s downtown to shop, dine and take a spin around the new rink. We are ready to bring the festivities back and make this year better than ever.”

Ice on Main will return on November 23 and remain open through January 21, 2013 – eight full weeks of skating excitement. The rink will incorporate new features this season such as increased spectator areas and original student artwork. Clear dasher boards will also be installed to enhance rink visibility.

Ice on Main is supported both by the Greenville community and by corporate sponsors. Sponsors for this year include:
